

ONE NOTEWORTHY CALIFORNIA INSTITUTION SALUTES ANOTHER.

The California Philharmonic plays a significant traditional and contemporary role as one of this area's major cultural resources. At Snyder Diamond Kitchen and Bath you'll find the traditional, contemporary and everything in between. Whether you are looking for a best buy on a popular national brand or for distinctive personal solutions, the latest trends await you in our showrooms. We invite you to visit one of our locations, and let one of our personable, experienced, sales associates help you explore our creative displays and innovative new products. Your satisfaction is music to our ears.
